

## Dist. Forestry Queen Contest Here Thursday

Sponsored by the Hope Council of Garden Clubs, the Southwest Arkansas District Forestry Queen Contest will be held in Hope on Thursday, September 1. Thirteen lovely girls will be vying for the title at the contest, to be held in the coliseum at Fair Park beginning at 8 p. m.

Representing the Rose, Azalea, and Lilac Garden Clubs, sponsoring clubs of the event are co-chairmen Mrs. J. O. Luck, Mrs. Lamar Cox, and Mrs. B. W. Edwards. Ticket chairman is Mrs. Talbot Field, Jr., and the price of admission to the contest at the coliseum is 50¢ per person. According to Council President Mrs. Lyle McMahon, the money derived from the sale of tickets will go toward the yearly project of city beautification by the Garden Club Council.

A schedule of events for the District Forestry Queen contest in Hope is as follows: registration, 9:30 a. m., at the Barlow; parade, 11 a. m., in downtown Hope along the usual parade route; luncheon, 12 noon, at Melon Room of the Barlow; reception, 2:30 p. m., at Hope Country Club for judges to meet contestants; rehearsal, 4:00 p. m., at the coliseum; buffet supper, 6:00, Barlow; contest, 8:00 p. m., the coliseum at Fair park; dance, following contest, Hope Country Club for contestants and their escorts.

## Activity of Insects on Increase

Insect activity in southwest Arkansas has increased during the past week as a result of recent rains with the bollworm continuing as the big threat to cotton farmers at this time.

Extension Entomologist Grover Dowell says cotton that has cut out and has regrowth present should be examined closely at this time for bollworm activity. Fourth generation bollworm moth emergence is extremely heavy, and egg and larval counts are much higher than they were a week ago. Egg counts run as high as 75 per hundred plants in some fields.

Bollworm control is very important because they will attack full grown bolls and destroy them. Correct timing and good coverage is the only way to obtain control. Most of the insecticide control failures can be traced to mid-day applications.

Fourth generation boll weevil emergence is general but not heavy. Farmers following an insecticide control program on a regular schedule are obtaining good boll weevil control. Aphids and spider mites were not a problem in any of the fields scouted in southwest Arkansas.

There were 111 fields scouted with 107 fields infested with boll weevils and 98 with bollworms. The average percent punctured squares was 13.5.

In order to stop insecticide applications, consider these things: If cotton has cut out, ceasing blooming, and there is no regrowth, further control measures are seldom needed. If cotton has cut out and regrowth is taking place, watch for bollworms. When bolls are 15-18 days old, weevils can not damage them.

## Weather

Experiment Station report for 24-hours ending at 7 a. m. Wednesday, High 90, Low 70; No precipitation; Total 1960 precipitation through July, 22.42 inches; during the same period a year ago, 20.77 inches.

ARKANSAS: A few isolated afternoon and evening thundershowers, otherwise generally fair this afternoon, tonight and Thursday. Not much change in temperatures. Highest this afternoon in 90s, lowest tonight mid 60s to mid 70s; highest Thursday afternoon in 90s.

BY THE ASSOCIATED PRESS

All sections of Arkansas: Clear to partly cloudy and warm this afternoon, tonight and Thursday with a chance of an isolated afternoon or evening thundershower. High this afternoon, low to mid 90s central, southeast and south; west, low 90s northeast, in 90s northwest; low tonight, low 70s central, mid 60s to low 70s north; east and northwest, low to mid 70s. ## Howard Wants Out of Disaster Area

LITTLE ROCK (AP) — Howard County has asked to be eliminated from a list of 12 southwestern Arkansas counties recommended for federal disaster aid. The county disaster committee said enough rain has fallen to save pastures.

The county committee made its request in a letter to the State Disaster Committee. The counties were recommended for aid because of drought conditions.

## African States Hand Lumumba a Stiff Jolt

By LYNN HEINZERLING

LEOPOLDVILLE, the Congo (AP) — The conference of independent African states jolted Premier Patrice Lumumba today with a resolution calling for frank and loyal cooperation between the United Nations and the Congo. Lumumba, who has described the United Nations as imperialist, harassed Secretary-General Dag Hammarskjöld, and even called for the withdrawal of the U. N. force, sat in silence as the resolution was read in the conference hall.

The conference, which brought together delegates of 13 African states, wound up as Lumumba's government built up its troop strength in neighboring Kasai province, apparently for an invasion of rebellious Katanga.

Lumumba had won one of his main demands. The United Nations announced that the last Belgian combat troops have quit the Congo, leaving only a few hundred technical specialists to look after the big treaty bases at Kamina, in Katanga, and Kitona, on the Congo River.

The conference expressed regrets at the incidents which have troubled relations between the Congo and the U. N.

The conference paid homage to the organization "for the work of peace it brings to the Congo." It praised U. N. for bringing about the withdrawal of Belgian troops and taking over the Kamina and Kitona bases.

The evacuation brought quick demands from Katanga's Premier Moise Tshombe that the U. N. turn control of Kamina over to him or he would block its runways with bulldozers, trucks and oil drums.

The United Nations wants the big base 360 miles northwest of Elisabethville neutralized and handed to all troops but those of the U. N. Tshombe, however, fears that U. N. forces will not prevent Lumumba's invaders from landing at the base and using it as the springboard for their campaign to establish Lumumba's authority in the province.

Lumumba returned to Leopoldville after a provincial tour. There was no indication whether, with the last Belgian combat troops gone, he would revive his earlier demands that the U. N. force also leave the country.

Showing he had taken to heart the counsel of leftist advisers, the Congo premier announced he had ordered a "profound reform of the ancient structure" of society in the ancient province. Territories formerly ruled by tribal chiefs would now become rural communes, he said. He also told of a decision to create peasant co-operatives to "mobilize all the forces of the country for a vast economic and social program."

One of the high points in Mr. Laseter's career was the five-year stretch from 1913 to 1917 when he drove the fire-horses for Hope's Fire Department. But the job had its drawbacks, Mr. Laseter recalls. He was so good at it they wouldn't let him quit. "And when I finally did quit I had to hire my replacement driver — at least for a while."

James E. Cannon, 67, died Tuesday in a local hospital. He was a retired farmer and a life-long resident of McNab and Saratoga. He was a member of the Church of Christ.

Survivors include his wife, a daughter, Mrs. Jack Anderson of McNab; two sisters, Mrs. Jettie Harwell of Saratoga and Mrs. Arthur Stoker of Ashdown.

Funeral services will be held at 3 p. m. Wednesday at the McNab Church of Christ by M. H. Peebles. Burial will be at Saratoga Cemetery by Oakcrest Funeral Service.

A bloody two-by-four was found nearby. Investigators said she may have surprised a burglar in the Zupeda home.

Tragic Ending

PALM SPRINGS, Calif. (AP) — A widespread search for a missing girl ended tragically in her own front yard.

## 'Mr. Republican' Turns 90 . . .

— Hope Star photo —

Webb Laseter, 316 W. Division St., Hope's "Mr. Republican," is 90 years old today.

In advance of the event this photograph of Mr. Laseter was made by The Editor just before noon Tuesday at Jack's Newsstand, which the veteran Republican operated for many years, selling it to Walter Miller three years ago.

Webb Laseter could be called, with equal truth "Mr. Hope" — for he came here in 1874 — the year after the arrival of the Cairo & Fulton Railway (now Missouri Pacific). He was born on the site of Stephens, Ouachita county, and was 4 years old when his parents got off the Cairo & Fulton at the site of Hope. This was hardly more than a depot then, the principal towns being Columbus, farming center; Spring Hill and Fulton, river navigation and freight centers; and Washington, the county seat.

No interview with Mr. Laseter is lacking in barbed comment. The Editor asked him: "How did you acquire the title Mr. Republican? Were you ever a party committee-man?"

Replied Mr. Laseter: "I figure the way I turned Republican was like this: When I was about 17 I saw a grown man come out of a voting place on Election Day, holler 'Whoopee,' throw his hat on the ground, and shout 'I'm a yellow dog Democrat!' To me that looked silly. From that moment on I was a Republican — and proud of it."

One of the high points in Mr. Laseter's career was the five-year stretch from 1913 to 1917 when he drove the fire-horses for Hope's Fire Department. But the job had its drawbacks, Mr. Laseter recalls. He was so good at it they wouldn't let him quit. "And when I finally did quit I had to hire my replacement driver — at least for a while."

## Bulletin

ROME (AP) — Hunking Bill Nieder, a last minute addition to the U. S. team, won the Olympic shot put championship today as Americans swept all three medals in the event.

All three smashed the Olympic record of 60 feet, 11 1/2 inches set by Perry O'Brien of the U. S. when he won his second straight gold medal at Melbourne in 1956.

Nieder, an Army lieutenant and former Kansas star, won with 64 feet, 6 1/2 inches. O'Brien was second with 62-8 1/2. Dallas Long of Phoenix was third with 62-4 1/2.

The American bid for an unexpected gold medal in the modern pentathlon failed and its eight-man crew was beaten.

## Hope Man Named to TB Board

LITTLE ROCK (AP) — Gov. Orval E. Faubus today announced the appointments of John Wilson of Hope and Earl Causey of Saratoga to the state Tuberculosis Sanatorium Board.

Wilson is an attorney and Causey an editor.

## All Around Town

By The Star Staff

One feature of the Southwest District Forestry Queen contest scheduled for 11 a. m. Thursday, will be Smoky Bear . . . the Nashville Rangerettes will be in the parade as well as the 14 contestants . . . and the Queen contestants will lunch at 12 noon Thursday in the Barlow's Melon Room . . . local businessmen are invited to have lunch with them.

High School students are requested to report to the auditorium Thursday and Friday and please bring notebook and pencil . . . the 9th and 10th grades report on Thursday while the 11th and 12th grades report on Friday.

Loading of cars and buses at the various local schools will be separate this year, says Police Chief Jack Brown . . . at Palsley School buses will load at the west end and cars at the east end . . . Brookwood, buses load on the north side and cars on the east . . . Hope High, the road between schools will be closed to general traffic from 3:15 to 3:45 each day to allow for loading of buses.

The Golden Age Club meets Thursday at 2:30 at the Youth Center at which time plans will be discussed to have a Hobby exhibit at the Third District Livestock Show.

Marine Gunnery Sgts. William H. Benson and Azula White of Texarkana's 2D 158MM Howitzer Battery, will be in Hope at the Post Office from 9 a. m. to 11 a. m. Wednesday, Sept. 7, for the purpose of interviewing young men 17-25 for the different programs offered by the Marine Corps Reserve.

# Congress Snared by Disputes Over Sugar Control, Foreign Aid

## Compromise Bill Including Money for Millwood Dam Has Been Sent to Eisenhower

WASHINGTON (AP) — A compromise four-billion dollar public works appropriations bill, containing funds for a number of Arkansas projects, is before President Eisenhower.

Congress yesterday completed action on the measure, a compromise between Senate and House versions of the bill. The total of \$3,900,000,000 compares with Eisenhower's budget recommendation of \$4,013,000,000. Of the total, more than 2 1/2 billion goes to the Atomic Energy Commission.

Two Arkansas projects which the Senate added were cut from the final bill. They were a \$150,000 appropriation to begin planning for a nine-foot navigation channel on the Ouachita River and a \$200,000 item to plan Arkansas River navigation locks and dams.

A \$4,000,000 item for Arkansas River bank stabilization was cut to \$2,000,000, but a \$5,000,000 appropriation for emergency bank stabilization was left unchanged. Arkansas projects in the final bill were:

Arkansas River general studies \$381,000; Beaver Reservoir \$2,800,000; Bull Shoals power units \$3,300,000; Dardanelle Lock and Dam \$6,100,000; DeGray Reservoir planning \$100,000; Gilliam Reservoir planning \$100,000; Greers Ferry Reservoir \$141,441,000; McKinney Bayou and Bartman Creek, \$600,000; Millwood Reservoir \$500,000; Red River at Garland City \$200,000; Red River levees below Denison Dam \$700,000.

Also included in a lower Mississippi River appropriation is \$600,000 for the lower Arkansas River, \$4,600,000 for the St. Francis Basin and \$15,000 for the lower White River.

## Sheriffs Seeking Salary Hikes

LITTLE ROCK (AP) — A \$5,000 a year salary limitation for sheriffs is "ridiculous," the Arkansas Sheriffs Assn. said in urging passage of a constitutional amendment to permit salaries of some elected officials to be doubled.

The measure, Amendment 50, will be voted on at the November general election.

In a statement yesterday the sheriffs said, "The time is here, in the November election, to do away with the horse and buggy provisions in the Constitution of 1874 by passage of Amendment 50, making it possible for the people of each county to pay their officials as the need arises."

## U. S. Agents Accused by Cuba's Castro

HAVANA (AP) — Prime Minister Fidel Castro accused agents of the United States of plotting to shoot down Foreign Minister Raul Hon on his way home from the San Jose conference.

Castro's charge Tuesday night was the only new note in a day of marathon speech-making touched off by the Western Hemisphere foreign ministers' condemnation of Soviet and Chinese Communist penetration of Latin America via Cuba.

The presidential palace said Raul and the rest of the Cuban delegation to the San Jose conference came home ahead of schedule in a chartered Costa Rican airliner because "counter-revolutionary mercenaries" planned to intercept the delegation's special plane and force it down.

The Costa Rican director of civil aviation said in San Jose that he had held up the delegation's own plane while his office checked the possibility it might have been sabotaged. The plane was cleared in the late afternoon and flew home with 15 Cuban newsmen who had been covering the conference.

## Says Florida Worse Than Little Rock

LITTLE ROCK (AP) — Racial violence in Jacksonville, Fla., indicates that Gov. LeRoy Collins "hasn't solved the problem," says Gov. Orval E. Faubus, whose role in Little Rock's 1957 integration crisis still is a matter of controversy.

"They have had more hell there in three days than we have had in three years. Make that 30 years," he told newsmen yesterday.

This, he said, indicated to him that "the moderate governor there hasn't control of the situation."

In 1957 when he called out the National Guard to block court-ordered integration of Central High School, Faubus said he acted because of threats of violence.

There have been sporadic clashes over integration here, most recently when high schools reopened with token desegregation a year ago after Faubus had closed them for a year.

But the governor said Arkansas hasn't had armed mobs or gasoline bombings such as have marked recent racial outbreaks in Florida.

## Moonshine Still Is Destroyed

A moonshine liquor still has been destroyed six miles south of Spring Hill. It was announced today by Sheriff Jimmie Griffin. Nobody was at the 24-barrel still. Officers destroyed 1,200 gallons of mash and 15 gallons of whiskey and a 200 gallon pot.

## Adjournment Apparently Has Stalled

WASHINGTON (AP) — Disputes over sugar import controls and extra foreign funds today stalled adjournment by Congress members eager to get home to election campaigning.

Because of these difficulties, leaders shied away from saying when the session might end.

WASHINGTON (AP) — The House today voted 65 million dollars additional for foreign aid, and went on to consider possible further additions to it.

Before the House, on an item-by-item basis, was a total of 100 million dollars for foreign aid that the Senate had put into a catch-all appropriation bill.

The vote to take the 65-million-dollar item was 203-193.

"We'll have to see how we go along," Senate Democratic leader Lyndon B. Johnson of Texas told newsmen.

He said refusal of House conferees to accept 100 million dollars of extra foreign aid funds tacked on to the final catch-all money bill by the Senate probably was the key roadblock.

The House conferees asked the House to vote backing for their stand.

Senate Republican Leader Everett M. Dirksen of Illinois told newsmen that the House had attached too many strings to a sugar quota bill, asked by President Eisenhower to cut purchases from the Dominican Republic.

Asked by a reporter if the administration would prefer no bill to the one that came through the House, Dirksen said: "You just can't operate under the House bill."

He said the outcome might be that no sugar legislation would be enacted.

Failure to get the 100 million dollars extra for foreign aid would be a sharp blow to President Eisenhower. The Senate put it into a supplemental appropriation bill.

## Says the U2 Flights Are Justifiable

WASHINGTON (AP)—A

specialist in international law said today he believes an impartial court would uphold the U2 spy flight over the Soviet Union as justified.

Charles S. Rhyne, a former president of the American Bar Assn. and now chairman of the ABA Special Committee on World Peace Through Law, discussed the legal aspects of the U2 incident in a speech prepared for the American Law Student Assn.

"I believe that an impartial court would hold that Russia's secret 'closed' society coupled with her threats based upon her atomic, satellite and ICBM developments, and her announced plans for world domination justifies a defensive measure like U2," Rhyne said.

He also expressed the belief that such a court would rule that the flight of an unarmed plane over Soviet territory "is not an aggressive act within the meaning of the United Nations charter."

A Soviet court earlier this month convicted the U2 pilot, Francis Gary Powers, of spying and sentenced him to 10 years loss of liberty.

ducing his foreign aid money bill to \$3,722,350,000 last week.

He appeared likely to win on another foreign affairs front, however. The House agreed to take up a bill to authorize an extensive development program for Latin America. The Senate already has approved the bill, asked only this month.

With hope all but abandoned for a minimum wage bill this year, the Senate-House dispute over the final money measure provided the last major hurdle to adjournment of the post-convention session.

The windup could come tonight, but appeared more likely to be delayed until Thursday.

An apparently hopeless deadlock developed over efforts to compromise differences over minimum wage legislation. House members rejected two more Senate compromise offers. No further meetings were scheduled.

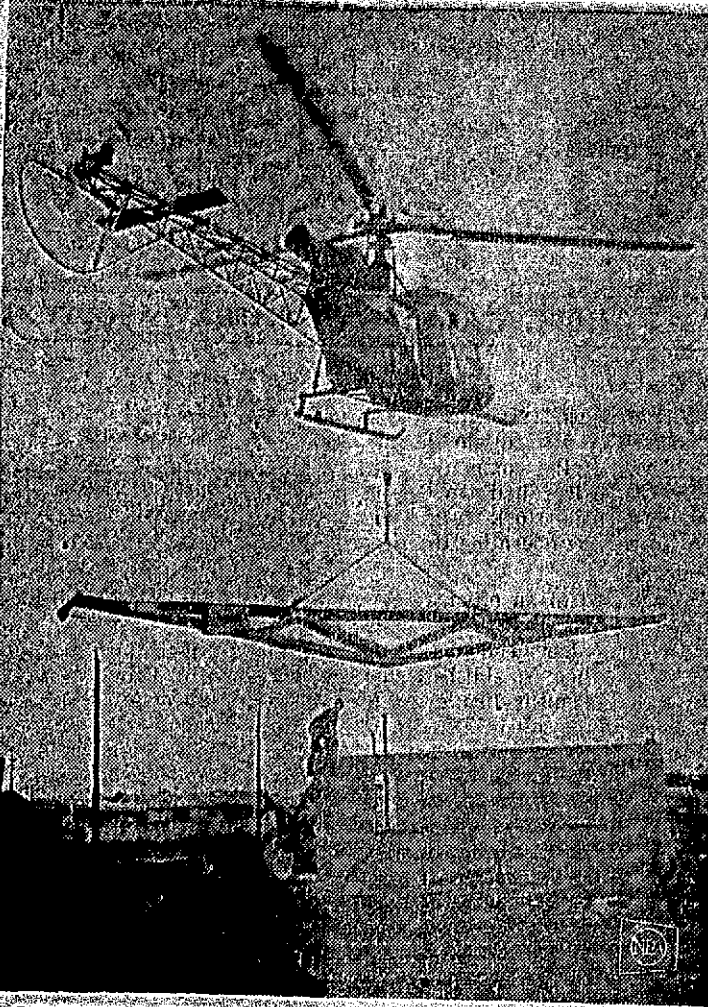

Sen. John F. Kennedy of Massachusetts, the Democratic presidential nominee who led the Senate conferees, pledged in a statement "to take this fight to the American people."

The conference broke up over how many additional workers should be brought under wage-hour law coverage. The two bills had differed also on how high to raise the present \$1 an hour wage minimum.

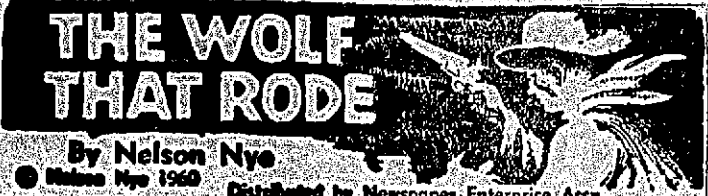

The dispute over foreign aid funds was likely to be less bitter, although the Senate may be forced to back down on that.

Rep. Albert Thomas (D-Tex.), who led the House conferees on the money bill, said he is convinced "the House will not agree to vote this additional \$100 million dollars of foreign aid giveaway."

He said agreement was reached on other items in the \$305,042,732 bill.

**DROPPING THE ROOF**—Versatile helicopter finds yet another role in St. Petersburg, Fla., where this one delivers a roof-supporting truss. The lumber company owners who came up with the idea say helicopter delivery saves labor, time and money. This helicopter picked up the truss at the construction area since federal aviation regulations prohibit carrying them over populated areas.

## CHAPTER XXI

ing lap dog around here."

"You're doing all right."

"For a fifth wheel, sure." Red's

temper got away from him. "You

think I like people sniggerin' behind my back? I got feelings."

He almost shouted it at her, remembering just in time to drag his voice down but unable to get the ugliness out of it. "I don't have to be just a convenience to anyone. I know some that would give their last dime for my talents."

Still-faced, she nodded. "That's what you want to do? Go out and kill somebody?"

Suspecting mockery, he scowled. "I could do that too!"

He dragged his tongue across dry lips, suddenly afraid without knowing what was gnawing him. He backed away in the direction of the door he had come in by. His groping hand found the knob and breath rushed into his chest again.

Pride wouldn't let him withdraw what he had said and his fears and greed, stirred up and flogged by his ambition, wouldn't let him play the mouse without at least one final try at it. Assuming a bravado he was far from feeling he tossed out his ultimatum. "I don't have to go to Flagler—it's up to you. But I ain't going to risk it for any sackful of peanuts! Blood going to be spilt and if I string along I've got to see some of the gravy. There's a J. P. at Packer's. All you'd have to do is ride in with me."

Somewhere a coyote yapped, sawing at Red's nerve ends, deepening his alarm, his growing sense of isolation.

Jo's mouth twitched again.

"I'll think about it," she said.

"You got till tomorrow night," Red snarled, and yanked open the door, slamming it back of him.

Even though the planks he heard the sound of her laughter. She didn't think he'd leave her, didn't think he'd dare to! She didn't look to have any trouble but she would have! Just you wait, he thought viciously. She'd be mighty quick glad to take him on any terms, anything to keep him on her side and away from Flagler—he'd build a fire under her!

(To Be Continued)

## Record Broken for Space Trip

SAN ANTONIO, Tex. (AP)—

Two Air Force pilots, in the midst of a simulated trip to the moon, Monday broke the record for time spent in a make-believe space ship.

Capt. William D. Hahlutzel, 30, and Lt. John W. Hargreaves eclipsed the old record of 13 days, 20 hours and 40 minutes set last February by T. Sgts. Hobart M. Craft of Wedowee, Ala., and William W. Henderson, 30, of Albee, Tex.

There was little fanfare with the record breaking and observers at the School of Aviation Medicine said the pair took no notice of their achievement.

The men were sealed in the tank Aug. 15. They plan to stay inside their "space ship" at least 17 days, which is the length of time believed necessary for a flight to the moon and back using equipment and fuel expected to be available in the near future.

Paderewski Day

will be Ignace Jan Paderewski Day in New York in honor of the 100th anniversary of the birth of the Polish statesman and pianist.

## More Spy Charges by the Russians

MOSCOW (AP) — Komsomol

skaya Pravda, paper of the Young Communists' League, charged today that Richard Lane of Los Angeles recruited two Soviet youths for an American spy network when he attended the youth festival here in 1957.

Lane was one of the young Americans who defied a U. S. State Department ban and made a trip to Communist China after the festival closed.

The paper also charged that an American actress, whom it did not name, acted as a courier for the agents allegedly recruited by Lane after she completed a series of performances in Moscow.

The newspaper's story was a new chapter in its account of the activities of Vyacheslav Repnikov and Rostislav Ribkin, each 25, whose arrest was announced Tuesday. The newspaper said they were among the many young Russians who hang around Moscow to make deals with tourists, offering to exchange money, sell furs, and buy Western clothes.

The story appeared to be a part of the American spy scare campaign stepped up with the trial of U2 pilot Francis Gary Powers.

**Miss Clare Fern McDougald and Oswald Maurice Haynes are wed**  
Miss Clare Fern McDougald became the bride of Mr. Oswald Maurice Haynes in a double-ring candlelight ceremony at the College Church of Christ in Searcy at seven-thirty o'clock Thursday evening.

The bride is the daughter of Mr. and Mrs. L. Reese McDougald, 509 East Park Avenue, Searcy. The bridegroom is the son of Mr. and Mrs. O. B. Haynes, 1910 61st Street, Lubbock, Texas.

Mr. W. Leslie Burke read the vows before an arch of huckleberry and ivy flanked by two seven-branched candelabra. The wedding music by the Harding College A Cappella Chorus included "O Promise Me," "I'll Walk Beside You," "Faithful and True," and the traditional "Mendelssohn Recessional." As the couple knelt for prayer before an altar banked

Mrs. J. W. Ray, Sr., returned home Monday from visiting with her son, J. W. Jr., Mrs. Ray and children in Albuquerque, N. M., with Dr. Jimmy Allen and family in Dallas, Tex., with the Jerry Williams and the John Buckners in Fort Worth, Tex., with the Rev. and Mrs. Earl Allen in Lufkin, Tex., while in Albuquerque, Mrs. Ray and some of her relatives attended the Gloria Baptist Assembly.

**Missing Men Had Valuable Information**  
WASHINGTON (AP) — Two missing employees of the National Security Agency, presumed to have defected to the Soviet Union, were reported today to have taken "valuable cryptographic information" with them.

Rep. John W. McCormack of Massachusetts, the House Democratic leader, said he had learned this from usually reliable sources, and declared that the loss of cryptographic information is far more serious than any official has publicly admitted.

**Wage Bill Hits Snag on Compromise**  
WASHINGTON (AP) — House conferees turned down today a proposal advanced by senators as a basis for compromising their differences over minimum wage legislation.

**Thinks Religion to Be An Issue**

**Bag Co. Not to Buy the Crossett Co.**  
CROSSETT, Ark. (AP) — Union Bag-Camp Paper Corp. has said it will not exercise an option to buy The Crossett Co., an official of the Arkansas firm announced today.

**Watzek said in an official letter to stockholders that Union Bag-Camp, which has headquarters in New York, had established that all of the Arkansas firm's assets were as represented. But Union Bag-Camp had not been able to arrange financing on terms satisfactory to it, Watzek said.**

**Watzek said that although Union Bag-Camp did not regard the proceedings as justified, the matter added further uncertainty to financing. The FTC alleged that a series of five mergers had damaged competition in the paper industry in the eastern and southern areas of the nation.**

**Watzek said in his letter that long-term plans and desires for the Arkansas company were reviewed at a recent meeting of the principal stockholders.**

**Watzek concluded his letter by saying: "You should therefore understand that not only is the Union Bag-Camp matter closed but the entire subject of sale itself is also closed."**

**Watzek said that although Union Bag-Camp did not regard the proceedings as justified, the matter added further uncertainty to financing. The FTC alleged that a series of five mergers had damaged competition in the paper industry in the eastern and southern areas of the nation.**

**DOROTHY DIX**  
Wife Regrets Returning to Erring Husband  
By HELEN WORDEN ERSKINE

Dear Helen:  
Maybe putting this down on paper will help me in some way. I am 34, have been married 15 years, have a girl 13, a boy three and twin boys four months old. I love them with all my heart else I wouldn't be here today.

Four years ago I let my husband take my daughter and mother and went to Ohio. I left because my husband got involved with my best friend. But even worse was his constant quarreling.

I found an apartment, got a job and was very happy. When I didn't come back, he began coming to see me with gifts of food, flowers and pretty speeches about how he loved me. Between him and friends and relatives vanishing away, I gave in and went back.

Everything was fine. Within the year my little boy was born. Then the same old quarrels began again. Fights over nothing. I keep the house neat and clean—which isn't easy with a three-year-old and twin babies to look after, and still my husband hollers. He hollers if I sit for an hour to watch TV in the evening. He hollers if I don't. He calls me a lazy so-and-so. He accuses me of two-timing. I have never been unfaithful to him. We joined the church but he hardly ever goes.

He has everything he that ever wanted: two cars, a pickup on a dump truck, a hi-fi, three hunting dogs and a family which loves him. He's a worker, gives me his pay check and doesn't oscarf pay check and doesn't bent me or the kids, so I suppose you would call him good husband but he eluding his wife, please advise me. — Desperate, Bewildered, and Disgusted.

Dear Desperate, Bewildered and Disgusted:  
Your husband is either not well or has never grown up. Only the insecure or immature lose their tempers, shout and behave as you say he does. The best way to treat a bully is face him down. A physical check-up or a visit to a psychiatrist may be in order. To take his diatribes meekly will make matters that much worse. Nothing is ever gained by temporizing. As his wife you rate his respect. You owe it to the children to demand it.

Dear Helen:  
If my steady comes to my house almost every week-end, gets a free meal or two and stays at our home most of the time (he comes from Fort Dix), should he bring my mother some token of his appreciation? —Bewildered

Ordinarily I would pass your query along to Emily Post but it seems to me, readin between the lines of your letter, that you are looking for a reason to give your boy friend the brush-off. "Love to faults is always blind." If you care, set him an example by giving your mother a little present from you both as a thank-you. If you don't, ignore his lack of sensitivity and call it a day.

Dear Helen:  
I have not saw an answer to the letter I wrote you about me and Pearl. Now my old lady is pushing 50 and I think it's high time to trade her for a new woman. She is raising Cain about me and Pearl. I'm getting fed up with her lip. Me and Pearl love each other even if there is 25 years difference in our ages. Pearl looks on me as a young man and if I do say so, I don't look my 55

**Men Arrested on Car Theft Charge**  
LITTLE ROCK (AP) — Three convicted, his brother, James A. Vile were held today in Little Rock in lieu of \$2,000 bond each on federal car theft charges.

Charges were filed yesterday before U.S. Commissioner John Conley against Joseph Thomas Gresham, 33, and escaped Georgia said had been stolen in Atlanta. Gresham, 25, and a cousin Virgil M. Bunn, 25.

Mississippi County officers arrested them in a car which the Federal Bureau of Investigation in the 10 year period which ended

**Population Jumps**  
NEW YORK (AP) — The world's population is increasing by 40 million a year and now stands at 2,300,000,000, the United Nations Demographic Year Book estimates. Communist China, with 600 million, has the largest population.

**107 Car Derailment**  
UTICA, N.Y. (AP) — Fourteen cars of a 107-car New York Central freight train on route from Chicago to New York were derailed today, blocking the railroad's four main-line tracks.

**Just Didn't Work**  
INDIANAPOLIS (AP) — A clouded crystal ball led to a dim future for an Indianapolis woman Sunday. Dorothy Zicka, 23, told a vice squad patrolman who arrested her on a charge of fortune telling, she didn't see him coming.

**Life stride makes a point!**  
And the point Life Stride makes is high fashion with the most pointed needle toe yet. Slender styling that gives your foot such graceful lines... pretty from every angle. Make a point to try a pair... you'll love it the minute you slip it on.

## When to Fish or Hunt

### Solunar Tables

By John Alden Knight

The schedule of Solunar periods as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major periods are shown in bold face type. These begin at the time shown and last for an hour and a half or two hours there after. The minor periods, shown in regular type, are of somewhat shorter duration.

	Minor	Major	Minor	Major

## U. S. Should Pick Up in Field Events

By TED SMITS

Associated Press Sports Editor

ROME (AP)—The strong United States men's track and field team pushed ahead in today's qualifying heats of Olympic competition but the American bid for an unexpected gold medal in the modern pentathlon failed and its eight-man crew was beaten.

Hungary took both the individual and team title in the pentathlon on the performance of Ferenc Nemetz in the final event, the cross-country run. Navy Lt. Bob Beck, Tuesday's individual leader, was third and the U.S. also was third in team competition.

Russia began to pile up its gold medals as anticipated in Greco-Roman wrestling when heavy-weight Ivan Bodgan was declared the winner. It was the sixth first place for the Russians who boosted their lead in the unofficial scoring race.

The U.S. was having its troubles in rowing where all seven of its entries were defeated. The biggest shocker was the defeat of Navy's eight-man crew by Canada. The U.S. has won the eight-man crew race in eight consecutive Olympics since 1920.

The men's high diving preliminaries also provided a setback for the U.S. where favored Gary Tobias of Glendale, Calif., the 3-meter platform champion, ranked fourth in the 10-meter platform competition after the early competition. Britain's Brian Phelps was the leader. Bob Webster of Santa Ana, Calif., the other U.S. diver, was ninth.

In women's track the three-girl U.S. entry in the 80-meter hurdles was wiped out in the preliminary heats.

The 100-meter men sprinters ran two series of heats, cutting down the big field for Thursday's semifinals and finals.

Armin Hary, the German flash who is coholder of the world record in 10 flat, broke the Olympic mark when he won a heat in the second round in :10.2. He just beat Dave Sime, the Duke speedster. Many in the big crowd thought the German beat the gun as he leaped into a 10-yard early lead. Sime was timed in :10.3, equalling the old Olympic record.

Ray Norton, the American favorite, barely made the semis, finishing third in :10.6 in a heat won by Horace Esteves of Venezuela. Frank Budd of Asbury Park, N.J., won his heat on :10.4, the same time turned in by Harry

Jerome of Canada, coholder of the world record, who won the fourth heat.

The three-man entry in the 400-meter hurdles, defending champion Glenn Davis of Columbus, Ohio, and Dick Howard of Albuquerque, all advanced into Thursday's semifinals although only Cushman won his heat. L. H. Jantz of Germany had the best time, :51.1 seconds.

In the 800-meter preliminaries, Ernie Cunliffe of Claremont, Calif., Jerry Siebert of Wilkes, Calif., and Tom Murphy of Brooklyn, all made the grade for the second round. The best time by a U.S. runner was Cunliffe's 1:48.3.

ROME (AP)—America's husky shutout ace, favored to make a sweep of the medals, led the way today into the opening of the Olympic track and field competition, where the United States hopes to overhaul Russia in the unofficial team point standings.

Bill Nieder, Dallas' Long and two-time champion Parry O'Brien didn't even bother to pull off their sweat suits as they qualified for this afternoon's shutout final.

Nieder, the former University of Kansas ace who holds the world record at 65 feet, 7 inches, and the other two Yanks easily tossed the shot past the 54-1 1/4 qualifying minimum.

The United States, trailing Russia by 26 points, also got rolling in its pursuit of points as Dave Sime, Ray Norton and Frank Budd eased into the second round of the 10-meter dash along with world record holders, Armin Hary of Germany and Harry Jerome of Canada.

The only other track and field event to be decided today, however, was the women's broad jump—where only one U.S. gal, the 1956 silver medal winner, Willye White of Greenwood, Miss., qualified.

But while the U.S. swimming squad also advanced two to tonight's finals in the men's 100-meter backstroke event—Bob Bennett of Encino, Calif., and Frank McKinney of Indianapolis—all was not the best for Uncle Sam.

Brian Phelps of Britain, the 16-year-old European champion, shocked U.S. hopes by leading 16 qualifiers into Thursday's semifinals of the men's high diving event.

Gary Tobias of Glendale, Calif., the favorite in this event after pulling a surprise by winning the springboard gold medal, was fourth, and Bob Webster of Santa Ana, Calif., was ninth.

The three U.S. Entries, Joann Terry of Indianapolis, Irene Robertson of Inglewood, Calif., and Shirley Crowder of Atlanta, were eliminated in the opening heats of the women's 80-meter hurdles.

Miss Robertson was last in her heat, won by Russia's great Irina Press in 10.7 seconds, equalling the Olympic record set in 1956 by Australia's Shirley Strickland.

The United States also suffered a setback in rowing, when the pair with coxswain from the Lake Washington (Seattle) Rowing Club was beaten by four lengths by Russia. America, defending champion in this event, gets a second chance to make Saturday's final in Thursday's repechage.

Sime, the Duke dandy from Durham, N. C., Hary and Jerome all running in separate heats—were timed in :10.5, with Sime finishing third, the last qualifying spot, in his race. Hary and Jerome share the record of 10 flat.

Great performances in swimming Tuesday that won two gold medals gave the U.S. team 72 points, only one behind Germany and 26 points behind the Russians who were capitalizing in fields they were expected to dominate.

The swimming duels electrified a crowd of 10,000. And there were offset incidents to magnify the interest. Carolyn Schuler of Orinda, Calif., broke her own Olympic record in winning the final of the 100-meter butterfly race. Bill Mulliken of Champaign, Ill., triumphed in the 200 meter breaststroke finals.

Miss Schuler's great victory was almost lost in the shuffle. They paid more attention to 14-year-old Carolyn Wood of Portland, Ore., who was just about in the lead at the turn in the butterfly and suddenly bumped into the lane buoy. She grabbed the chain and seemingly quit. She climbed out of the pool and ran into hiding, in shame. Later, she explained she had swallowed water and "couldn't go on."

## Yanks Manage to Maintain Slim Lead

By JOE REICHLER

Associated Press Sports Editor

It will be a long time before American L. C. G. fans forget Tuesday night.

In Washington, there was a wild, whacky 10-inning spectacular in which the White Sox and Senators scored one run between them in the first seven innings and 20 runs in the next three. Chicago won 11-10.

In Boston, the Red Sox took both ends of a two-night doubleheader from Detroit after 7 1/2 hours and 25 innings. Boston won the opener, 5-4, in 15 innings and the second game, 3-2, in 10 innings.

Boston's Pete Runnels went on a batting rampage with nine hits. Boston Manager Mike Higgins also went wild, charging out to the mound to square off with Jim Bunning after the Tiger pitcher had beaten Don Buddin with a pitch.

In New York, a torrential rain and flash floods kept many would-be Yankee Stadium customers home, but those who made it saw the Yankees rally in the ninth to defeat Kansas City 3-2 and maintain their 1 1/2 game lead over Baltimore.

Only in Baltimore, there was no untoward incident as the Orioles whipped the Indians 4-1.

In the National League, Pittsburgh defeated Los Angeles 5-2. Milwaukee shut out St. Louis 10-0. San Francisco nipped Philadelphia 2-1 and Chicago shaded Cincinnati 5-4.

For seven innings in Washington, the fans saw a tight pitching duel between the White Sox Frank Baumann and the Senators' Pedro Ramos. Washington led 1-0 at the end of seven.

Chicago took a 2-1 lead in the eighth on two walks and singles by pinch-hitter Ted Kluszewski. Roy Sievers and Minnie Minoso, Washington bounced back with four runs in its half, three coming on Jim Lemon's 31st home run.

The White Sox roared back with five runs in the ninth. Minoso's three-run homer giving them a 7-5 lead. Washington tied it on

# Walkout by Rail Workers Comes to End

ELKHART, Ind. (AP)—An overnight walkout of about 600 New York Central railroadmen ended this morning, promising immediate resumption of direct mainline passenger and freight train traffic between Chicago and New York.

Picketing broke up just as a court injunction move was threatened by NYC after four carloads of officials arrived by special train from Cleveland.

An eastbound freight was the only other train which got through Monday night during the protest demonstration against the firing of an Elkhart brakeman.

NYC rerouted its mainline passenger trains over the Michigan Central by way of Detroit during the night, but Chicago-Portland trains were blocked, as was virtually all freight train traffic.

Robert Swert, general chairman of the Brotherhood of Railroad Trainmen, told the strikers he had received assurance from

railroad officials they would not file a federal court injunction in South Bend against the brotherhood if the men returned to work before 8 a. m.

Negotiations were due very soon, Swert said.

Van Kessler, Elkhart police chief, said the strike was orderly. Employees have been complaining since 1958 when the New York Central began transferring yardmen from its subsidiary Michigan Central yards at Niles.

According to employees, the situation came to a head when brakeman Charles A. Golsby was involved in a fight two weeks ago with three Niles railroad workers in Blue Island, Ill.

One of the Michigan men was given a 90-day suspension. Golsby's dismissal was announced Monday.

A railroad spokesman said the walkout started late Monday when employees started to report "sick" in protest over the firing of an Elkhart brakeman.

Spent \$4,657, Says Hardin

MOSCOW (AP)—Dr. Edward Mazie, president of the National Assn. of Negro Doctors of the United States, today was quoted as saying a U.S. delegation he heads had learned many valuable and useful things during a two-week stay in the Soviet Union.

# Spahn Hurls Braves Over Cardinals

By JOE REICHLER Associated Press Sports Writer

If Milwaukee fails to overtake the front running Pittsburgh Pirates in the National League pennant race, it won't be Warren Spahn's fault.

The brilliant Braves' southpaw, pitching as well as at any time in his illustrious career, fired his third shutout of the season Tuesday night and the 50th of his career as he defeated the St. Louis Cardinals 10-0.

It was Spahn's sixth straight victory and ninth in 10 decisions since the All-Star break. His season record is 17-7.

The victory enabled the Braves to snap a three-game losing streak and move back into second place, a fraction of a point in front of the Cards. Milwaukee and St. Louis are 6½ games behind the Braves who defeated Los Angeles 5-2, San Francisco 4-1, Philadelphia 2-1 and Chicago topped Cincinnati 5-4 in afternoon games.

New York maintained its 1½ game lead over Baltimore in the American League race, defeating Kansas City 3-2 as the Orioles downed Cleveland 4-1. Chicago's third-place White Sox outslugged Washington 11-10 in 10 innings and Boston swept a two-night double header from Detroit 5-4 and 3-2. The first game went 15 innings and the second 1.

Spahn, nearing 40, shattered the Cards with five hits for the 28th victory of his 15-year career. 10 of these, he's won 20 or more.

Home runs by Roberto Clemente and Dick Groat helped Pitts-

# America Gets Another World Record

By TED SMITS Associated Press Sports Editor

ROME (AP)—Alan Somers, the 19-year-old American champion from Indianapolis, broke the Olympic record with a 4:19.2 coiling in a qualifying heat in the men's 400-meter freestyle swimming competition today.

Somers' record-smashing performance followed another American setback when Germany's Ingrid Kramer completed a sweep of the women's diving events over the favored American, Paula Jean Pope of Santa Ana, Calif.

Somers bettered the new mark of 4:21 flat set by Japan's Tsuyoshi Yamayaka in today's first trial heat.

Gene Lenz of Santa Maria, Calif., the other U.S. entry in the event, was second in another heat and his time was 4:29.2, 10 seconds off the record. However he qualified for Wednesday night's final.

Two swimming finals, in addition to the women's high diving title won by Miss Kramer, remained on the day's program. They were the men's 200-meter breaststroke and the women's 100-meter butterfly.

The blue-eyed, 2nd grad 165.

burgh's Bob Friend register his first victory over the Dodgers since July 23, 1958. A turnout of 41,143 pushed the Dodger home attendance over the two million mark for the second straight year.

Sarn Jones struck out 14 and drove in the winning run in a pitching duel with the Phillies' Robin Roberts. Neither pitcher issued a base on balls Jones won his 15th with a single in the fifth that scored Willie Kirkland, who had tripped home Orlando Cepeda with the Giants' first run.

Ernie Banks hammered a home run off Joe Nuxhall in the last of the ninth to break up a 4-4 deadlock and give the Cubs their fifth victory in the last six games with the Reds.

PROPOSED CONSTITUTIONAL AMENDMENT NO. 50

BE IT RESOLVED by the House of Representatives of the Sixty-Second General Assembly of the State of Arkansas, and by the Senate, a majority of all members elected to each House agreeing thereto:

That the following is hereby proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the State for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon, at such an election, adopt such amendment, the same shall become a part of the Constitution of the State of Arkansas, to-wit:

SECTION 1. The annual salaries of the constitutional officers of this State shall be as fixed by law, but shall not exceed the following: The Governor, the sum of \$20,000; the Lieutenant Governor, the sum of \$10,000; the Secretary of State, the sum of \$10,000; the Treasurer of State, the sum of \$10,000; the Auditor of State, the sum of \$10,000; the Attorney General, the sum of \$12,000; and the Commissioner of State Lands, the sum of \$10,000.

SECTION 2. The annual salaries or compensation of all elected county officials and their deputy hire allowances shall be as fixed by law, provided, that no such salary or compensation shall be in excess of \$10,000.00 per annum.

SECTION 3. The annual salaries of all elected municipal officials shall be prescribed by the elected government body of such municipality, but no such salary shall be in excess of \$10,000.00 per annum. Provided, that the salaries of municipal judges shall be established in the manner prescribed by Amendment No. 43 to the Constitution of the State of Arkansas.

SECTION 4. The annual salaries or compensation of all county and municipal officials, and their deputy hire allowances, shall be and remain the same as provided by law upon the effective date of this Amendment until the same shall be changed in the manner authorized herein.

SECTION 5. The salaries of state constitutional officers, elected county officials and elected municipal officials shall not be reduced or diminished during the term for which any such official shall be elected.

SECTION 6. Nothing contained herein shall limit or restrict the right of the people to establish the salaries of county and municipal officials by initiated act as authorized in Amendment 7 to the Constitution.

SECTION 7. All laws and parts of laws and all constitutional provisions in conflict herewith are, to the extent of such conflict, hereby repealed.

Approved: March 16, 1959.  
C. G. "Crip" Hall  
Secretary of State

PROPOSED CONSTITUTIONAL AMENDMENT NO. 51

BE IT RESOLVED by the Senate of the State of Arkansas, and by the House of Representatives, a majority of all members elected to each House agreeing thereto:

That the following is hereby proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the State for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon, at such an election, adopt such amendment, the same shall become a part of the Constitution of the State of Arkansas, to-wit:

SECTION 1. In addition to other powers granted by constitutional or statutory authority, cities of the first and second class may issue, by and with consent of a majority of the qualified electors of said municipality voting on the question at an election held for the purpose, bonds in sums and for the purposes approved by such majority at such election as follows:

For the payment of any indebtedness existing at the time of the adoption of this amendment; for the purchase of rights of way for construction of public streets, alleys, boulevards, and expressways, within the corporate limits of such municipality; for the construction of sewers and storm drainage systems; for the purchase of street, police or fire fighting apparatus and equipment; for the purchase of street and sewer cleaning equipment and apparatus; for the purchase of sites for construction of, and equipment of city halls, auditoriums, court houses, prisons, libraries, hospitals, clinics, public bathhouses, incinerators or garbage disposal or sewage treatment plants; for building for the housing of street, police or fire fighting apparatus and equipment; for the construction of viaducts and bridges; for the purpose of purchasing, extending, improving, enlarging, building, or construction of water works or light plants; and distribution systems therefor; and for the purchase of sites for, improving or equipping harbor and river terminal facilities; and for the acquisition, development, and construction of other municipal or public facilities and improvements. For the purchase, development and improvement of airports, waterworks, sewage disposal systems or any other municipal facilities which are, wholly or partially, located outside the boundaries of this State.

No bonds issued under the authority of this amendment shall bear a greater rate of interest than six per cent per annum payable either annually or semi-annually; that is to say, the cost to the municipality for interest and discount, on each issue of bonds shall not exceed six per cent per annum, and no bonds issued under the authority of this amendment shall be sold except at public sale after twenty days' advertisement in some newspaper having a bona fide circulation in the municipality issuing such bonds.

In order to provide for the payment of the bonds issued under the provisions of this amendment, and interest thereon, a special tax in addition to the legal rate permitted may be levied by municipalities on the real and personal taxable property therein. And any municipality issuing any bonds shall, before or at the time of doing so, levy a direct tax payable annually, sufficient to pay the interest on such bonds as the same matures, and also sufficient to pay and discharge the principal of all such bonds at their respective maturities. The special tax permitted by this amendment shall not be subject to any constitutional limitation; provided, however, the General Assembly may by legislative act limit the rate of such taxation, which limitation shall be effective only upon a special tax levied for the payment of bonds issued after the effective date of such legislative act.

Said bonds shall be serial, maturing annually after three years from date of issue, and shall be paid off as they mature, and no bonds issued under the authority of this amendment shall be issued for a longer period than forty years.

It shall be the duty of the mayor and city council or other governing body established by law, to exercise supervision over the sale of any bonds, which may be voted by the people at an election held for that purpose and they shall expend economically the funds so provided for the specified purposes for which they were voted.

Said election shall be held at such times as the city council may designate by ordinance, which ordinance shall specifically state the purpose for which the bonds are to be issued, and if for more than one purpose, provisions shall be made in said ordinance for balloting on each separate purpose; which ordinance shall state the sum total of the issue, the dates of maturity thereof and shall fix the date of election so that it shall not occur earlier than thirty days after the passage of said ordinance. Said election shall be held and conducted, and the vote thereof canvassed, and the result thereof declared under the law and in the manner now or hereafter provided for municipal elections, so far as the same may be applicable, except as herein otherwise provided. Notice of said election shall be given by the mayor by advertisement weekly for at least four times, in some newspaper published in said municipality and having a bona fide circulation therein; the last publication to be not less than ten days prior to the date of said election.

Qualified voters of said municipality only shall have a right to vote at said elections. The result of said election shall be proclaimed by the mayor and the result as proclaimed shall be conclusive unless attacked in the courts within thirty days after the date of such proclamation. This amendment shall not repeal or affect any law relating to the organization of improvement districts.

SECTION 2. In addition to any existing Constitutional or Statutory provisions, and the powers granted under the provisions of this amendment, cities of the first and second class are hereby authorized to levy a tax on the real and personal property located within the corporate limits of five (5) mills on the dollar of the assessed value of such property. That the revenues from such tax may be used for any municipal purpose now or hereafter authorized.

SECTION 3. The General Assembly may by legislative act allow cities of the first and second class to levy additional taxes for any municipal purpose, now or hereafter authorized, and such taxes or the rates thereof shall not be limited by any existing Constitutional provision.

SECTION 4. The salaries of officials and employees of cities of the first and second class shall be fixed by the governing body of such cities, and the amounts of such salaries shall not be limited by any existing Constitutional provision.

SECTION 5. This amendment shall be in force upon its adoption, and shall not require legislative action to put it into force and effect.

All provisions of this amendment, whenever, at any annual school election, a majority of the qualified electors of the district voting on the proposition shall approve the rate of tax levied proposed by the board of directors, then taxes shall be collected at the rate so approved. In the event the rate shall not be approved at any such election, then taxes shall be collected at the rate of thirty (30) mills on each dollar of assessed valuation, or at the rate approved at the next preceding annual school election, whichever rate shall be the lower figure. Provided, that no rate of tax levied shall ever be less than the aggregate of the rates of any continuing levies theretofore approved for the purpose of meeting the debt service requirements of the district's issued and outstanding bonds, unless funds for the payment thereof shall have otherwise been specifically provided for.

SECTION 7. With respect to each school district, proposals for the issuance of bonds and for the collection of taxes at a continuing rate of levy for the payment thereof may be submitted by the board of directors for the approval or disapproval of the qualified electors voting on the proposition at any annual school election; and upon petition of not less than ten percent of the qualified electors of the district, or by resolution of the board of directors, such proposals may be submitted for the approval or disapproval of the qualified electors voting on any such proposition at a special election called for the purpose by the County Judge. No school district may issue bonds unless a majority of the qualified electors voting on any such proposition at a school election shall approve the same; and no bonds or other evidences of debt hereafter issued by any school district shall be secured by a lien on the property of the district; and no district may pledge any of its revenues for the payment of said bonds or other evidences of debt except revenues to be derived from the collection of taxes upon taxable property within the district under a continuing rate of levy approved by a majority of the qualified electors voting on the proposition at a school election. The principal amount of any proposed bond issue may include the estimated amount of interest to be due on such bonds during the first year.

SECTION 8. The manner of applying financial aid for the instruction of residents of any school district between the ages of six and eighteen years shall be changed, effective immediately, from the then existing manner to any other manner authorized by Section 3 hereof, whenever the proposition of making such change shall be approved by a majority vote of the qualified electors of the district voting on the proposition at a special school election called for that purpose by the County Judge of the county in which all or the major portion of the land area within the territorial bounds of any such district is located. The County Judge shall call such special election within thirty days after the receipt by him: (a) of a petition containing the signatures of not less than a majority of the board of directors of the district; or (b) of petitions containing the signatures of not less than ten percent of the qualified electors of the district. Provided, that not less than twelve months shall elapse after any such special election before another special election may be called for the purpose of again voting on the proposition of changing the manner of applying financial aid.

In each instance in which the manner of applying financial aid for the instruction of residents of the district between the ages of six and eighteen years shall be changed, save only such funds as are necessary to meet the debt service requirements of the district's issued and outstanding bonds, to meet its other contractual obligations, and to pay insurance premiums on, and cost of maintenance or custodial care of the district; shall be used for student education financial aid, and shall be applied equally for the benefit of all such residents for the periods of time during which they respectively receive instruction in this State.

SECTION 9. Either branch of the General Assembly at a regular or special session thereof may propose amendments to this measure, and if any such proposal be agreed to by a majority of all the members elected to each house such proposal shall be submitted to the electors of the State for approval or rejection at a special election called for the purpose by the Governor; and if a majority of the qualified electors voting at such special election adopt such amendment the same shall be operative on and after the 30th day after the election at which it is approved, unless otherwise specified in the amendment. Nothing in this section contained shall be construed to limit the power of the General Assembly to submit proposed amendments to this measure as provided by Section 22 of Article 19 of the Constitution of this State.

SECTION 10. The provisions of this measure are hereby declared to be severable.

SECTION 11. Article 14 and Amendments Nos. 11 and 40 to the Constitution of this State are hereby repealed.

SECTION 12. This amendment shall be self-executing, and its provisions shall be treated as such, but laws shall be enacted by the General Assembly to facilitate its operation.

SECTION 13. This amendment shall take effect and be in full force on and after the date of its approval at the November, 1960, General Election.

Approved: March 16, 1959.  
C. G. "Crip" Hall  
Secretary of State

ing, or construction of water works or light plants; and distribution systems therefor; and for the purchase of sites for, improving or equipping harbor and river terminal facilities; and for the acquisition, development, and construction of other municipal or public facilities and improvements. For the purchase, development and improvement of airports, waterworks, sewage disposal systems or any other municipal facilities which are, wholly or partially, located outside the boundaries of this State.

No bonds issued under the authority of this amendment shall bear a greater rate of interest than six per cent per annum payable either annually or semi-annually; that is to say, the cost to the municipality for interest and discount, on each issue of bonds shall not exceed six per cent per annum, and no bonds issued under the authority of this amendment shall be sold except at public sale after twenty days' advertisement in some newspaper having a bona fide circulation in the municipality issuing such bonds.

In order to provide for the payment of the bonds issued under the provisions of this amendment, and interest thereon, a special tax in addition to the legal rate permitted may be levied by municipalities on the real and personal taxable property therein. And any municipality issuing any bonds shall, before or at the time of doing so, levy a direct tax payable annually, sufficient to pay the interest on such bonds as the same matures, and also sufficient to pay and discharge the principal of all such bonds at their respective maturities. The special tax permitted by this amendment shall not be subject to any constitutional limitation; provided, however, the General Assembly may by legislative act limit the rate of such taxation, which limitation shall be effective only upon a special tax levied for the payment of bonds issued after the effective date of such legislative act.

Said bonds shall be serial, maturing annually after three years from date of issue, and shall be paid off as they mature, and no bonds issued under the authority of this amendment shall be issued for a longer period than forty years.

It shall be the duty of the mayor and city council or other governing body established by law, to exercise supervision over the sale of any bonds, which may be voted by the people at an election held for that purpose and they shall expend economically the funds so provided for the specified purposes for which they were voted.

Said election shall be held at such times as the city council may designate by ordinance, which ordinance shall specifically state the purpose for which the bonds are to be issued, and if for more than one purpose, provisions shall be made in said ordinance for balloting on each separate purpose; which ordinance shall state the sum total of the issue, the dates of maturity thereof and shall fix the date of election so that it shall not occur earlier than thirty days after the passage of said ordinance. Said election shall be held and conducted, and the vote thereof canvassed, and the result thereof declared under the law and in the manner now or hereafter provided for municipal elections, so far as the same may be applicable, except as herein otherwise provided. Notice of said election shall be given by the mayor by advertisement weekly for at least four times, in some newspaper published in said municipality and having a bona fide circulation therein; the last publication to be not less than ten days prior to the date of said election.

Qualified voters of said municipality only shall have a right to vote at said elections. The result of said election shall be proclaimed by the mayor and the result as proclaimed shall be conclusive unless attacked in the courts within thirty days after the date of such proclamation. This amendment shall not repeal or affect any law relating to the organization of improvement districts.

SECTION 2. In addition to any existing Constitutional or Statutory provisions, and the powers granted under the provisions of this amendment, cities of the first and second class are hereby authorized to levy a tax on the real and personal property located within the corporate limits of five (5) mills on the dollar of the assessed value of such property. That the revenues from such tax may be used for any municipal purpose now or hereafter authorized.

SECTION 3. The General Assembly may by legislative act allow cities of the first and second class to levy additional taxes for any municipal purpose, now or hereafter authorized, and such taxes or the rates thereof shall not be limited by any existing Constitutional provision.

SECTION 4. The salaries of officials and employees of cities of the first and second class shall be fixed by the governing body of such cities, and the amounts of such salaries shall not be limited by any existing Constitutional provision.

SECTION 5. This amendment shall be in force upon its adoption, and shall not require legislative action to put it into force and effect.

All provisions of this amendment, whenever, at any annual school election, a majority of the qualified electors of the district voting on the proposition shall approve the rate of tax levied proposed by the board of directors, then taxes shall be collected at the rate so approved. In the event the rate shall not be approved at any such election, then taxes shall be collected at the rate of thirty (30) mills on each dollar of assessed valuation, or at the rate approved at the next preceding annual school election, whichever rate shall be the lower figure. Provided, that no rate of tax levied shall ever be less than the aggregate of the rates of any continuing levies theretofore approved for the purpose of meeting the debt service requirements of the district's issued and outstanding bonds, unless funds for the payment thereof shall have otherwise been specifically provided for.

SECTION 7. With respect to each school district, proposals for the issuance of bonds and for the collection of taxes at a continuing rate of levy for the
